CASBO Conference

Beaver Run Resort, Breckenridge

12:00-1:00 Lunch with CSPMA

1:00-1:30 CASDEM/CSPMA Collaboration

Open discussion concerning how CASDEM and CSPMA can cooperate in the future. How can the two groups share knowledge and experience back and forth in order that they can learn from each other?

1:30-2:00 Energy Software

Update on what software packages districts are using now and how it is working out. In addition, EPA will unveil shortly before the conference which software packages will automatically be able to incorporate the EnergyStar scoring function starting this year.

2:00-2:30 Transport Gas Updates

What are the different districts doing as far as natural gas contracts? The hurricane has certainly put a wrinkle in everyone's budgets if they hadn't already locked in a price. What is everyone's strategy for managing natural gas this winter?
