9:30 AM – 10:00 AM CSPMA Elections

10:00 AM – 12:00 Noon Open Discussion on Topic

Meeting Topic: “How are we getting our work done?”

- How are we managing work / compliance / resources
- How has the passing of HB1158 effected operations?
- When should I get a permit? Drawings? Architect?
- When should we contract out things we use to be able to do in house?
(Example: mounting projectors / screens)
- Fire Departments using IBC / IFC Code requirements – how this can / will affect operations.
- Eric Gillespie and Susan DeMeules from Division of Oil and Public Safety there to help answer questions.
- What repairs / installations require licensed trades, certifications, etc?
- How does all this affect the budget?

**12:00 Noon – 1:00 PM Lunch – Presentation / provided
