Results of CASDEM Survey
Webmaster/Secretary Voting

PRE-MEETING PREPARATION

Ice Breaker: Be prepared to share who your current gas provider is, what your contracted rate is (CIG +\$), and when your current contract ends.

Tabletop Prep: Given the extreme weather events throughout Texas in early 2021, natural gas rates and electricity rates are anticipated to increase through this winter and beyond. Please be prepared to share any work you've done in this space including budget requests, budget forecasts, updating contracts, or other planning.
