**2. Security**

All visitors need to bring a government-issued picture ID (i.e., a driver’s license) with you on the day of the meeting. You will be asked to show this ID as you enter the lobby. Our security screening process is similar to screening at the airport: you will be asked to walk through a magnetometer (removing metal objects from your pockets) and your coats, bags etc. will be x-rayed. You will be provided with a visitor badge after you pass through security. Please proceed to 2nd floor Conference Center via elevator or stairs.
